RELEVANT PROFESSIONAL EXPERIENCE

WALT DISNEY WORLD - Liverpool, NY

2006-2007

Professional Internship, Blizzard Beach

Recruited, following a productive four-month lifeguard internship, to contribute to the on-going success of this popular Disney water park attraction.

Performed a variety of management-level functions and team-building training for staff, and developed key organizational systems to standardize strategic functions.

Key Contributions:

- Spearheaded, developed, created, and implemented the Blizzard Beach and Typhoon Lagoon Evacuation Operations Report, coordinating all strategic safety and evacuation information. Document included map of park, procedures, phone lists of all lifeguard stands, and inventory supply lists.
- Promoted the Disney anniversary theme of "A Year of A Million Dreams" by participating in the 'Magical Moments' program to create special, unique, memorable guest experiences.

Continued...

- Developed a signage system for the Lazy River to assist river patrons in finding their way through the park.
- Conducted monthly in-service staff trainings. Developed and delivered training materials on a variety of topics including CPR, team building, and water rescues.
- Selected to serve as a 'Safety in Motion' (SIM) instructor, training staff in becoming aware of workplace safety issues and how to safely perform all required responsibilities.
- Achieved 100% completion of Blizzard Beach staff United Way Fundraising Drive.
- Assisted in planning and executing various events, including a get-to-know-you party for interns.

Lifeguard Internship

Served as one of 80 lifeguards at Disney's famous Blizzard Beach water park.

Received special training in the 10/20 Waterpark Rule of Lifeguarding (Ellis Lifeguard Training), and rotated throughout the water park with fellow staffers to provide assistance and protection to participants. Patrolled or monitored recreational areas on foot or from lifeguard stands. Rescued distressed people using rescue techniques and equipment. Contacted emergency medical personnel in case of serious injuries. Examined injured persons and administered first aid or cardiopulmonary resuscitation as required, utilizing training and medical supplies and equipment. Instructed guests in proper use of waterslides and other features and provided safety precaution information. Reported to the Lifeguard/Recreation Manager.

Key Contributions:

- Saved several lives in backboard and other types of rescues and recussitations.
- Received many commendations for performance above and beyond the call of duty.

Manager, Miniature Golf
